Department of Education

Stakeholder Engagement with Communities, Workforce, and Postsecondary to Support Implementation of Graduation Guidelines

**3:00pm to 4:30pm
Tuesday June 23, 2015**

Objectives

- Participants will hear about the processes employed and lessons learned by two districts engaging deeply with their communities related to postsecondary readiness
- Participants will have a scaffolded opportunity to plan for their own robust community engagement process with support from individuals engaged in this work

Agenda

- **Overview of logistics and context for this work with districts (15 min)**
- **District Presentations (30 min):**
 - Process so far, and in the future
 - Lessons learned
 - Next steps
- **Brain Break**
- **Participants plan for their own Community Engagement process**
- **Participant share out**
- **Wrap up**

How did we get here?

Archuleta School District-
Linda Reed and Sean O'Donnell
Mesa 51 School District-
Steve Schultz

Why did we start down this
road?

What has the process been so far?

What have you learned?

What are your next steps?

Brain Break

Would you rather...

Participant Planning Time

- **Who are your stakeholders?**
- **What is your rationale for engaging your community?**
 - What are you concerned about?
 - What are you hopeful about?
- **How will you engage your community?**
- **What's your first, next step?**

Share out

What are your next/first steps?

Wrap up

- **Full Community Engagement Guide in October**
- **Please reach out if we can be of assistance:**
Christina Jean (Jean_C@cde.state.co.us)
- **Feedback Survey**
