RANDA 201: Getting the Most Out of the Performance Management System

Toby King and Joslyn Robich
Educator Effectiveness

Summer 2015

POPCORN

STAND UP IF YOU...

- Used COPMS last year?
- Used another vendor last year?
- Are suffering from altitude sickness?
- Are a teacher?
- Are a principal or evaluator?
- Are district/BOCES staff?
- Are a technology coordinator?
- Get annoyed by activities like this?
- Have not stood yet?

Objectives

- Annual Transition Process Update
- CDE Resources
- COPMS
 - LEA Settings
 - Making Evaluations More Meaningful
 - Tips and Tools
 - Notification Stream
 - Completion Pie Charts
 - Accessing Evidence Efficiently

Objectives

- **Building MSL/O Templates**
 - CDE Resources
 - Making MSL/O Templates efficiently
- **Managing the Process Efficiently**
 - Workflow Enhancements
 - csv Exports
- **Using the Data for Continuous Feedback and Growth**
 - Analysis Charts
 - Professional Development

What's on your mind?

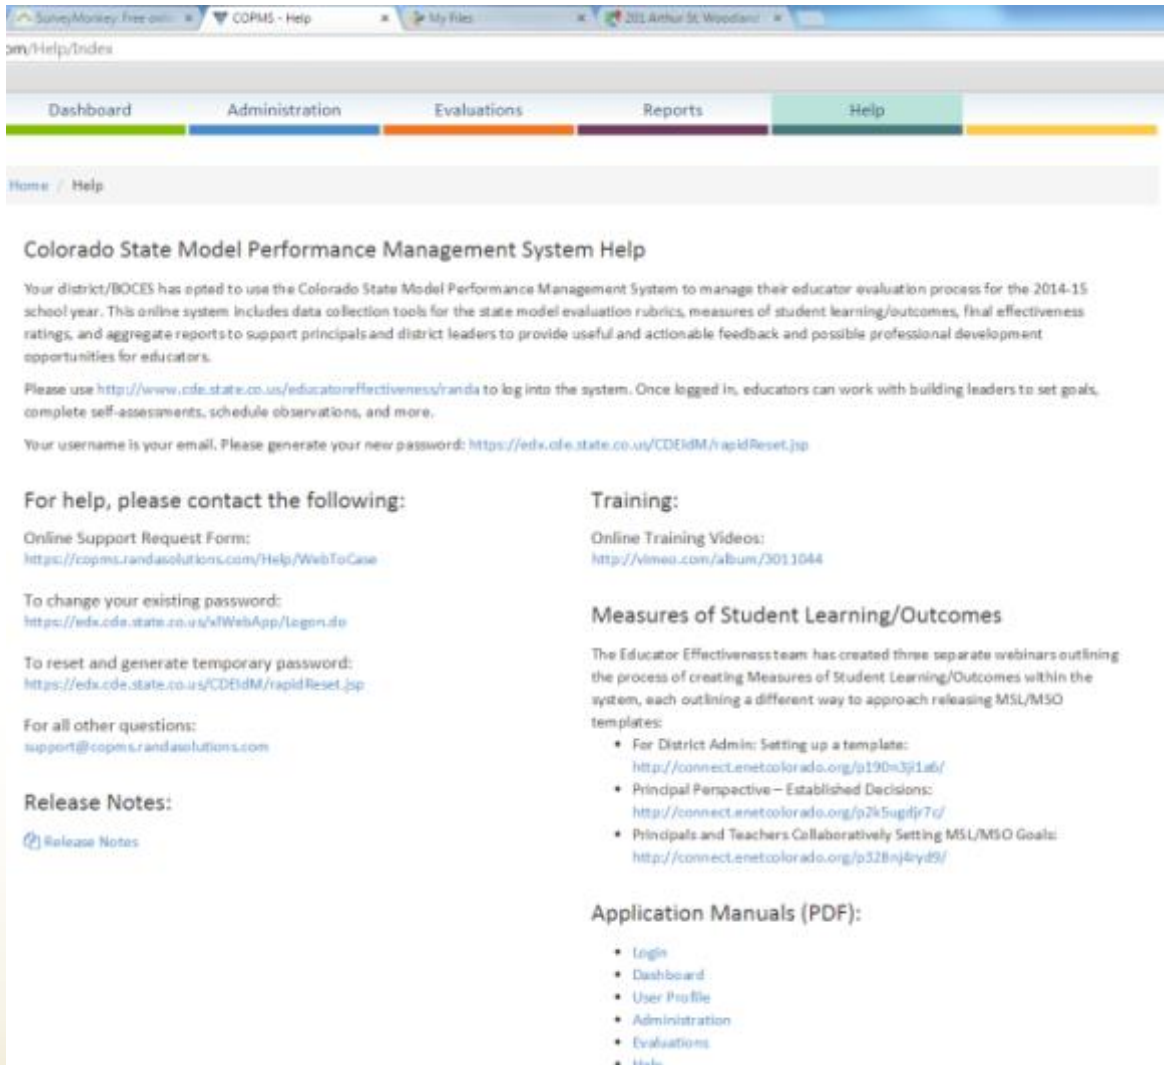

Demonstration

The screenshot shows a web browser window displaying the RANDA - Colorado State Model Performance Management System website. The browser's address bar shows the URL <https://www.cde.state.co.us/educatoreffectiveness/randa>. The website header includes the Colorado Department of Education logo and navigation links for [Site Index](#), [CDE Offices](#), and [Staff Directory](#). A search bar is located in the top right corner. The main navigation menu is divided into four categories: **SchoolView | Data & Accountability**, **Programs & Supports**, **Teaching & Learning**, and **Policy & Funding**. The left sidebar contains a list of links: [Educator Effectiveness Home](#), [Senate Bill 10-191](#), [Implementation Guidance](#), [Measures of Student Learning Guidance](#), [State Model Evaluation System](#), [Performance Management System](#), [Elevate Colorado \(Inter-rater Agreement\)](#), [Training and Support](#), [State Council for Educator Effectiveness](#), [Communications Resources](#), and [Contact Us](#). Below these links is a section for **More Options** with links for [Ask a Question](#) and [Subscribe to e-Newsletter](#). The main content area features a **Home** link and a heading for **RANDA - Colorado State Model Performance Management System**. The text explains that CDE has contracted with RANDA Solutions, Inc. to create an online performance management system. It includes a **Log in to RANDA - Colorado State Model Performance Management System** link and a **Contact:** section with links for [Online Support Request Form](#), [Change your existing password](#), and [Reset and generate temporary password](#). For all other questions, the contact email is support@copms.randasolutions.com.

COPMS Resources

The screenshot shows a web browser window with the URL www.cde.state.co.us/cdeidm/help/index.jsp. The page has a navigation bar with links for Dashboard, Administration, Evaluations, Reports, and Help. Below the navigation bar, the page title is "Colorado State Model Performance Management System Help". The main content area contains several sections: "For help, please contact the following:" with links for online support requests and password changes; "Training:" with a link to online training videos; "Measures of Student Learning/Outcomes" with a list of webinars; and "Application Manuals (PDF):" with a list of manuals.

For help, please contact the following:

Online Support Request Form:

Measures of Student Learning/Outcomes

The Educator Effectiveness team has created three separate webinars outlining the process of creating Measures of Student Learning/Outcomes within the system, each outlining a different way to approach releasing MSL/MSO templates:

- For District Admin: Setting up a template:
<http://connect.enetcolorado.org/p190n3j1a6/>
- Principal Perspective – Established Decisions:
<http://connect.enetcolorado.org/p2k5ugjlr7c/>
- Principals and Teachers Collaboratively Setting MSL/MSO Goals:
<http://connect.enetcolorado.org/p328nj4yd9/>

Application Manuals (PDF):

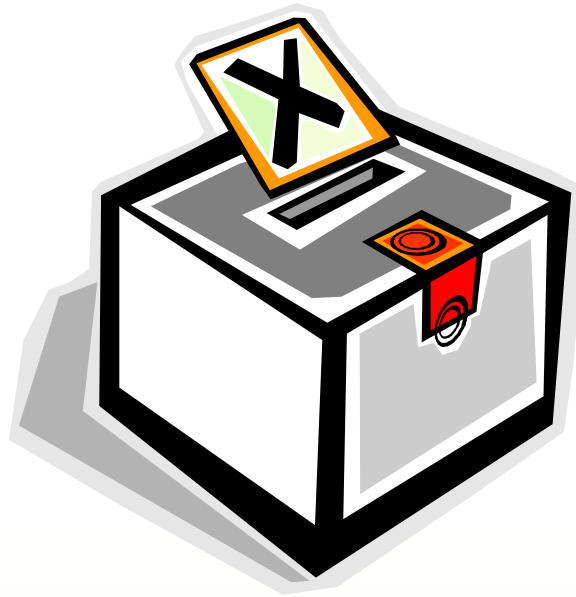

- Login
- Dashboard
- User Profile
- Administration
- Evaluations
- Help

COPMS Resources

- Examples of how to manage training for your LEA
- Uploading Local Documents
