Unpack Your Challenge

Select a piece of the definition to explore with empathy with your end-users.

➔ **I will be exploring:** _____

What assumptions about this statement do you have for your students and school?

**What do you not know about this statement in your environment?
What aspects do you want to learn more about?**

What challenges do you expect to encounter in working to understand this statement in the context of your school?

Design Thinking Process

You are preparing for this step in the process

Empathize

Identify the underlying human need.

Iterate
Get feedback.
Revise.
Reflect.

Frame a problem worth solving.

Unbundle
How might we “peel the onion?”

Ideate/Prototype

Brainstorm ways to answer the “How might we...?”
Rapidly get your ideas out there.

“If I had asked customers what they wanted, they would have said a faster horse.” –Henry Ford
