# #Selfies!

What is your theme for change? Form groups of 3-4. Each person must be from a different district. Decide a theme for change in the CB/PL work that you can all agree upon. This can be a famous quote, song lyric, or something you make up yourselves.

Have ONE PERSON from your group take a selfie with all of you in it and post it to social media with your quote about change and #CEIShowcase18.

Change will do you good!
