ALAMOSA GRADUATES ARE:

RESILIENT

- Perseverance / Determined
- Self Advocate and Initiative
- Critical Thinking / Analysis

Resilient Alamosa students are leaders who know themselves, their strengths, and abilities. They use their abilities to develop their own opinions, grow from hardship and become stronger as a result.

LOCALLY AND GLOBALLY CONNECTED

- Global Awareness
- Cultural Awareness
- Social Awareness
- Locally Relevant

Alamosa learners are connected locally and globally. They openly explore and embrace the perspectives of others. They are stewards of their local and global community and contribute their own ideas and perspectives to positively influence the world around them. Alamosa students are locally grown and globally influential.

FUTURE READY

- Academic Skills
- Interpersonal Communication Skills
- Critical Thinking / Analysis

Future ready Alamosa students are prepared to meet the challenges for the rapidly changing world with confidence and maturity. They build and use skills to make sense of the world, access resources to solve challenges, and collaborate with others to achieve the best possible outcome in their work.

CONFIDENT

- Self- Awareness
- Self- Management
- Adaptability and Flexibility

Confident Alamosa Students take responsibility, have a growth mindset, and take initiative in their life. They hold themselves to high expectations, learn from failure, and access their culture and identity as strengths to meet the opportunities in their life.

ALAMOSA
SCHOOL DISTRICT

Learners today. Leaders tomorrow.
